

In the coming year, on seven peaceful wooded acres just south of Taylorville, **a refuge will spring forth.**

Embraced by a thicket of arching mature trees, blanketed in dappled sunlight, and steps from the quiet gurgle of a meandering stream, **healing will spring forth.**

In the midst of this serenity, **a building will spring forth.**

This place - **Hope House** - will offer solace and healing to parents and families who have suffered the loss of a child.

From this place,  
**HOPE WILL SPRING FORTH.**

For those who have suffered the loss of a child, a stay at Hope House will help them continue to walk the journey of loss and grief

**WITH HOPE.**

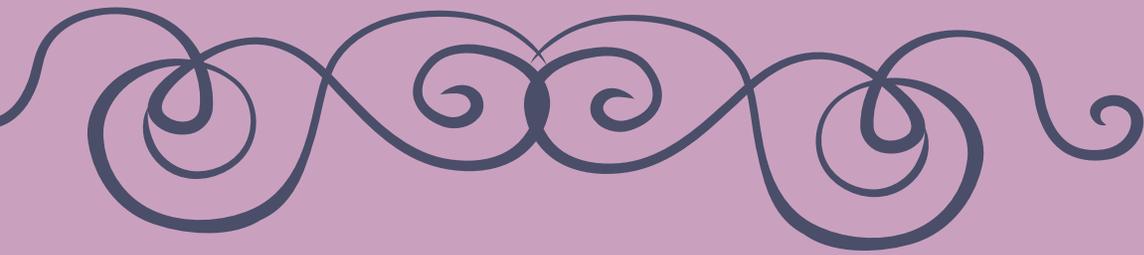

**A refuge for  
grieving parents  
and their families  
to find hope  
following the loss  
of a child.**

*"We dare to dream that although  
life can be difficult, there is  
always a reason to hope."  
Monica Wamsley*

Hope House of Central Illinois is a volunteer-run, faith-guided 501(c)(3) nonprofit organization serving parents and families of all faith preferences in their time of loss.

We are currently raising funds to build Hope House, a two bedroom, 1,600 square foot retreat cabin for families who have experienced the loss of a child.

The short, no cost get-aways Hope House offers will help parents and family members during their grieving process. Their stay at Hope House will help them continue to walk the journey of loss and grief with hope.

Often when a parent loses a child, friends will say, **“I wish there was something I could do.”**

**Now there is something you can do.**  
Will you join us in making Hope House a reality?

# Hope House

*There is no footprint so small that it does not leave an imprint on this world.*
